MONTANA OFFICE

Dear Jim:

Enclosed please find two figures which indicate the surveyed locations of the test pits excavated in March, 1992. One figure indicates the test pits which were excavated in and around the retort building and the other indicates the test pits which were excavated along School Addition Road.

We apologize for the delay in forwarding you these figures. If you have any questions please feel free to call.

Sincerely,

REMEDICATION TECHNOLOGIES, INC.

A handwritten signature in cursive script, appearing to read "Grant Hainsworth".
